Copy one of the above “addresses” to the clipboard.

Then, go open Apple I-Tunes and choose – “Advanced – Subscribe to Podcast”

Use “Paste” to put the address into the window. You should see something like this...

Click on OK, and iTunes will locate the series and get details for the most recent “episode”.

If you click on the arrow to the left of “St James Turrumurra”, it will show all the available episodes.

You can also use the settings button to configure automatic downloads etc.
